SITE MANAGER TRAINING DATES SET!!!

The Rural Rental Housing Association of Oklahoma will sponsor Candace Armstrong, with Sweet Success Training, Inc., again this April in four regional programs. She will present "Back to Basics, Our Recipe for Your Success in 2010". This Site Manager training is designed to provide valuable information for those who are new and those who need additional training. We are pleased to have Candace doing the training again this year.

We will utilize the same four locations we used last year to help lessen the distance you will have to travel to receive this training. We are trying to keep the cost of training at minimum to your project. The Association is subsidizing a majority of the cost of this training. We realize that you have small budgets to utilize for training. This is one benefit of being a member of the Rural Rental Housing Association of Oklahoma.

We have selected the following locations for the training:

**April 6, 2010---NE Oklahoma Technology Center—Pryor, OK*

**April 8, 2010---Great Plains Technology Center---Lawton, OK*

**April 12, 2010--Kiamichi Technology Center---McAlester, OK*

**April 16, 2010—Autry Technology Center---Enid, OK*

ALL SESSIONS WILL START AT 9 A.M. AND WILL ADJOURN AT 3 P.M.
